JUDEA DECLARES WAR ON GERMANY

Jews Of All The World Unite In Action

BOYCOTT OF GERMAN GOODS

MASS DEMONSTRATIONS IN MANY DISTRICTS

DRAMATIC ACTION

"Daily Express" Special Political Correspondent.
ALL Israel is uniting in wrath against the Nazi onslaught on the Jews in Germany.
Adolf Hitler, swept into power by an appeal to elemental patriotism, is making history of a kind he least expected. Thinking to unite only the German nation to race consciousness he has roused the whole Jewish people to a national renaissance.
The appearance of the swastika symbol of a new Germany has called forth the Lion of Judah, the old battle symbol of Jewish defiance.
Fourteen million Jews dispersed throughout the world have banded together as one man to declare war on the German persecutors of their co-religionists. Sectional differences and antagonisms have been submerged in one common aim—to stand by the 600,000 Jews of Germany who are terrorised by Hitlerist anti-semitism, and to compel Fascist Germany to end its campaign of violence and suppression directed against its Jewish minority.
World Jewry has made up its mind not to rest quiescent in face of this revival of medieval Jew-baiting.

£933,333 a minute to £1,000,000 a minute.
This is the record of the public's thirst for sound investments with a trustee status.
When the West Riding County Council issued £1,000,000 of 3½ per cent. stock at £99 per cent. last week they obtained £14,000,000 in fifteen minutes.
Yesterday Middlesbrough asked the public to subscribe to £1,000,000 of its 3½ per cent. stock, and raised the price to £99 10s. per cent.
The lists were closed in five minutes, during which time applications had been received for £20,000,000.

HIGHER WAGES FOR STEEL WORKERS

AN INCREASE OF THREE SHILLINGS A WEEK

BRIGHT SPOT IN A BLACK TOWN

THE "Daily Express" has sent a special representative on an unusual mission. He is touring the north in search of high wages. In his tour he is going to tell the facts about all classes of wages, high and low. He is going to show how low wages reduce the morale of the community. He is going to show how courageous spending reacts favourably throughout the community.
In his first dispatch it is revealed that the steel masters of Middlesbrough have been able to make a gesture in the cause of high wages.
Filters in steel works have recently received an increase of 3s. a week. Their wages are not high, but this is a step in the right direction. It is a bright spot in an otherwise black town—brought low by wage cuts and false economy.

CUTS THAT KILL

The Powell Duffryn Steam Coal Company of South Wales increased its profits by £100,000 last year.
Mr. E. L. Hann, the chairman and managing director, told shareholders at yesterday's annual meeting that this had not been achieved by a policy of wage reductions.
In fact he revealed that the earnings of their employees were higher than the average of the coal-field.

New "Sweep" Bill In The Dail

MR. DE VALERA AND STATE CONTROL
SECRET MEASURE

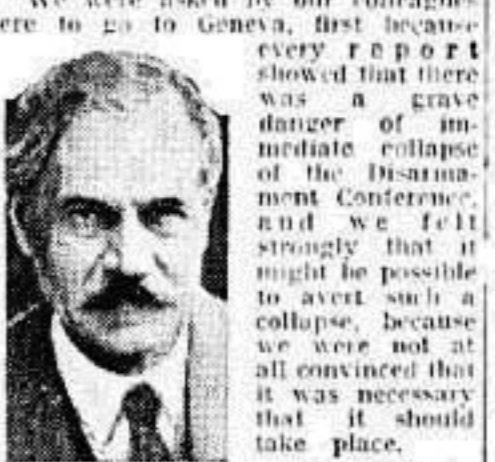

"Daily Express" Special Correspondent.
DUBLIN, Thursday.
WHILE Mr. Jack O'Sheehan, the official announcer of the Irish sweepstake draw, was dividing the remnants of the latest Irish lottery prize fund between lucky ticket-holders in the Plaza Ballroom to-day I was listening to an Under-Secretary of the Free State Government introducing a Bill which may change the whole future, scope, and purpose of these Irish hospitals lotteries.
NO CLUE
A mysterious measure entitled "The Public Hospitals Bill, 1933," appeared on the agenda for this afternoon's meeting of the Dail.
The Bill was set down for formal introduction, and a motion to this effect was moved in a six or seven-words speech by Mr. Sean O'Kelly, the Minister of Local Government. His brief remarks gave no clue to the

MR. MacDONALD EXPLAINS HIS TOUR

"PEACE CAN BE KEPT IN EUROPE"

MR. RAMSAY MACDONALD faced a crowded House of Commons yesterday afternoon when he spoke about his visits to Paris, Geneva, and Rome, and his talks with Signor Mussolini.

The German, French, Italian, Polish, and Belgian Ambassadors were among a crowd of diplomatic representatives in their special gallery, and Mr. Bruce, of Australia, and other representatives of the Dominions also listened.
Mr. MacDonald, who was greeted with cheers, said:—
"I take the earliest available opportunity to inform the House regarding what happened while the Foreign Secretary and myself were at Geneva and Rome.
"We were asked by our colleagues here to go to Geneva, first because every report showed that there was a grave danger of immediate collapse of the Disarmament Conference, and we felt strongly that it might be possible to avert such a collapse, because we were not at all convinced that it was necessary that it should take place.
"Therefore, the Foreign Secretary and I went to Geneva. Our first business was to discover how matters exactly stood, and for that purpose we interviewed for some two or three days the leading delegates from various nations.
"It is perfectly plain that the conference work had somewhat lost itself in details.
"Geneva has gone far beyond plans for merely reducing things by a third or
